About the Event

Come away to a magical island with Alzheimer's Family Services Center as we proudly celebrate our 10th Annual "A Gathering of Friends" on **Friday, May 14, 2010** at the Westin, South Coast Plaza in Costa Mesa. Guests will be treated to the sights and sounds of a mystical tropical island as we honor two amazing individuals.

Each year the center pays tribute to two worthy individuals – a Participant Honoree, a beneficiary of the center's day services, and a Distinguished Friend, a longtime supporter of the agency. We are excited and proud to share that **Larry Root** will be recognized as AFSC's 2010 **Participant Honoree** and **Ron Shenkman** as AFSC's 2010 **Distinguished Friend**.

Funds raised will help achieve our mission of providing direct care, family support and education services that benefit all of our caregiving families.

Sponsorship Opportunities

A sponsorship donation will help families get the direct care, support, and education services they need when a loved one has Alzheimer's or another dementia. Participants benefit from a therapeutic and cognitively stimulating day program tailored to individual needs. And, caregivers can access support groups, attend educational workshops or receive personalized care management from a social worker.

In addition to the satisfaction that comes from helping our caregiving families, as an event underwriter, your company will receive the following benefits:

Diamond Friend - \$20,000

- 3 Tables of 10 with premium seating
- 30 Complimentary opportunity drawing tickets
